Lincoln County Natural Resource Management Plan

The Lincoln County Board of County Commissioners along with a steering committee has completed a draft Natural Resource Management Plan. The County developed this Plan as a tool which allows a local government to have a substantive impact on federal decisions, plans, policies, and programs. Federal agencies consideration of a local natural resource management plan, or resource plan, can play a key role in the success of a local government engaging as a cooperative agency or with consistency review under the National Environmental Policy Act (NEPA), coordination under the Federal Lands Policy and Management Act (FLPMA), or National Forest Management Act (NFMA) as well as assisting in the Governor's consistency review.

The Draft Lincoln County Natural Resource Management Plan will be released for public comment on Monday November 2nd and will be located on the Lincoln County website at <https://www.lcwy.org/>. Hard copies will also be available at the Lincoln County Clerk's Office; Star Valley Conservation District, and Lincoln Conservation District. The public comment period will be open for 30-days from Monday November 2nd through Tuesday December 1st. Public comments can be submitted via email to LincolnCoNRMP@y2consultants.com or can be submitted via hard copy to the Lincoln County Clerk's Office, Star Valley Conservation District, or Lincoln Conservation District.

In an effort to acquire community input and provide information about the purpose and intent of the Plan, public meetings will be held on November 16th in Afton and November 17th in Kemmerer. Both meetings will begin at 5:30 pm with a presentation at 6:00 pm. Meeting locations are presented below. A virtual option via Zoom is available for both meetings using the registration links below.
